PROJECTS

Concert Carpool (10/21)
- Concert Carpool is a full stack web application that was built to connect people that are looking for a ride to the concert or that are driving to a concert and have extra room in their car.
- Concert Carpool was inspired by the logistical challenges that people face when getting to venues such as Red Rocks Amphitheatre.
- Site URL: https://boiling-reef-48460.herokuapp.com/
- Github Repository: https://github.com/dereklewis/Concert-Carpool

Git Outside (09/21)
- Git Outside is a full stack web application designed to creat a community based approach to reviewing campsites in the United States.
- The collaborative Git Outside project was built from the ground up over the course of one week
- Site URL: https://git-outside.herokuapp.com
- Github Repository: https://github.com/dereklewis/Git-Outside

Lyrific (08/21)
- Lyrific Website Project – collaborated with a team to develop this application to target Karaoke enthusiasts. The application pulled information from two different API's to deliver users the trending top hits an dthe lyrics to those songs and more.
- Site URL: https://dereklewis.github.io/music-project-main
- Github Repository: https://github.com/dereklewis/music-project-main

PROFESSIONAL EXPERIENCE

Director of Food and Beverage   *07/20 –* 07/21
TPC Colorado   Berthoud, CO

- Oversaw all Food and Beverage for a brand new golf course clubhouse with a café, full service restaurant, on-course food and beverage offerings and 5,000 sq. ft. of meeting space.
- Collaborated with the service and culinary management teams to create menus, hire and train staff, local marketing efforts, special event sales and to operate in accordance with TPC and PGA Tour standards.
- Coordinated with local health officials to keep the operation current with continuously changing restrictions and regulations put into place by the State of Colorado and Larimer County in regards the coronavirus pandemic.

Director of Rooms *01/19 – 05/20*
Marriott Denver Tech Center – Sage Hospitality Denver, CO

- Directed the Front Office, Housekeeping, Engineering and Security departments for the 605 room hotel that generated $44M in revenue annually.
- Staffed and trained all associates across those departments.
- Property lead for the implementation and execution of all Marriott Brand Standards and the successful passing of the Marriott Quality Assurance Audit.
- Partnered with the Director of Revenue management to drive top line revenue through the sale of hotel rooms.
- Profit and Loss accountability for all departments.
- Participated on the Hotel Executive Committee.

Director of Food and Beverage *01/17 – 12/18*
Marriott Denver Tech Center – Sage Hospitality Denver, CO

- Management responsibility for the Food and Beverage department which generated $14M in revenue annually.
- Led a team of over 200 associates including 15 managers.
- Implemented the marketing initiative for Pint Brothers Ale House and assisted in the creation of the concept and service standards upon opening.

Vice President of Restaurant Operations *07/15 – 12/16*
Sage Restaurant Group – Sage Hospitality Denver, CO

- Cultivated operational excellence of 14 restaurants and hotel food and beverage operations across the country.
- Fostered the development of 7 General Managers of Food and Beverage.
- Engaged in positive ownership relations with the ownership groups at each property.
- Spearheaded the development and approval of the budgets for the properties that I directly managed.
- Worked in partnership with the other members of the SRG executive team for organizational standard operating procedures, develop the culture of the restaurant group and attract top talent at the property level.
